

Facade luminaire Trio Lighting Cusco black 330lm CRI80 G53 IP44

Product code 22136

The CUSCO wall light provides a good feeling around the house. Specially developed for outdoor use and optimally protected against wind and weather with an IP44 rating, it brings light exactly where safety is required. Its clear design language has a modern and confident look, while the light shines gently downwards and also discreetly illuminates the surroundings via an outer light ring. This creates a pleasant lighting atmosphere that provides orientation and is inviting at the same time - perfect for entrance areas, pathways or patios. Made of matt black plastic, CUSCO impresses with its robust material and timelessly elegant colour. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Luminous flux	330lumens
Warranty	5 years
Brand	Trio Lighting
Socket	GX53
CRI	80
Protection class	IP44
Lifespan	35000h
Width	105.0mm
