

Ceiling light–fan Trio Lighting Lillesand brown E27 IP20

Product code 22141

A ceiling light with a fan function, such as the LILLESAND, is useful all year round. While it provides pleasant cooling in summer mode, in winter mode - in reverse - it ensures good distribution of the heating air trapped under the ceiling. This option is perfect for reducing heating costs. The enclosed remote control can also be used to adjust the cool breeze remotely in three speed levels. The integrated timer function allows the Vetilator to switch off automatically after a selected period of time, making it a practical everyday companion in the living or sleeping area. The material mix of brown paper and black matt metal is currently on trend and will make the hearts of boho lovers beat faster. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.

Brand	Trio Lighting
Socket	E27
Protection class	IP20
Height	215.0mm
Diameter	500.0mm
Weight	2.8 kg
Package weight	3.6 kg
Casing colour	brown
Work environment	outdoor use
