

Dome light Trio Lighting Rotunda white 24W 2500lm IP20 switch dimmer 2700K-6000K warm + cold white

Product code 22153

The ROTUNDA ceiling light impresses with its minimalist, discreet design and modern lighting technology that can be fully customised to your needs. Both the brightness and the light colour can be conveniently adjusted using the remote control - from atmospheric, feel-good light to functional illumination. Alternatively, the brightness can also be easily adjusted in three stages using the existing light switch. The integrated memory function saves the last selected setting, ensuring the perfect light at all times. Whether in the bedroom, hallway or other living areas - ROTUNDA creates a pleasant and calm atmosphere. The combination of white metal and plastic emphasises the discreet, modern character of the light. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
