

Facade luminaire Trio Lighting Elbe anthracite E27 IP44

Product code 22206

The ELBE outdoor wall light in a modern retro design brings a special charm to any outdoor area. Whether on the balcony, patio or house façade - it adds a unique touch to any location and provides atmospheric lighting. With an IP44 protection rating, the light is particularly resistant to splashing water on all sides and protects against the ingress of foreign bodies. The die-cast aluminium in anthracite not only gives the luminaire an elegant, contemporary look, but also ensures durability and resistance. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
