

Ceiling lamp Trio Lighting Cires black 27W 3400lm IP20 switch dimmer 4000K pure white

Product code 22211

Ceiling lights with geometric shapes make an impressive statement! The swivelling modules of the CIRES luminaire open up a wide range of design options and allow creative arrangements. With the integrated SWITCH dimmer, three brightness levels (100%, 50% and 25%) can also be selected via the conventional light switch to create different lighting moods. The design in matt black with transparent crystal effects gives your home an elegant touch. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
