

Dome light Trio Lighting Solea 36W 4700lm IP20 830

Product code 22228

With the SOLEA ceiling light, you can bring a design object into your home that blends perfectly into various living areas thanks to its clear and modern look. Whether in the living room, hallway or bedroom - SOLEA impresses with its simple design language and high-quality workmanship. A special highlight is the separate switchability of the individual light sources. This allows you to decide which areas should be softly lit or specifically illuminated. Perfect for flexibly staging rooms according to mood or use. SOLEA impresses with its combination of metal in coffee and warm grey and white acrylic plastic. The interplay of materials creates a modern, timeless design and provides pleasant, uniform light without glare. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
