

Ceiling lamp Nova Luce Altus white 230V 48W 2743lm IP20 TRIAC 830

Product code 22307

The Altus ceiling light features a sleek white sandy finish crafted from aluminium and acrylic, delivering a modern decorative lighting solution for indoor environments. This surface-mounted fixture emits warm white light with a high color rendering index above 80, enhancing ambiance with a luminous flux of 2743 lumens. Designed for easy integration, it includes a non-replaceable LED module with triac dimming capability, allowing smooth brightness adjustment. Its low profile of 4.5 cm height and dimensions of 90 by 52 cm make it suitable for various ceiling installations. The fixture is IP20 rated for indoor use and supports a maximum ambient temperature of 45°C, combining style and functionality in contemporary spaces.

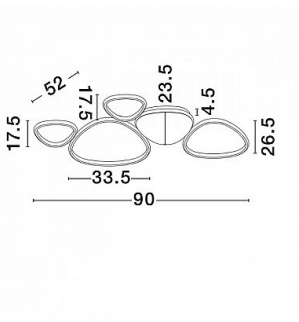

Correlated colour temperature	warm white 3000K
