

Wall light Trio Lighting Giada chrome GU10 IP44

Product code 22343

Small but mighty! The filigree GIADA light with its curved design has a classic look and can therefore be integrated into any living area. Thanks to its IP44 protection rating, it is protected against splashing water and is ideal for placement above the bathroom mirror. Due to its size, the light can also be used to illuminate narrow, dark corners. The chrome colour gives the light a certain timelessness. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
