

Wall light Trio Lighting Gianni chrome 17W 1700lm IP44 830

Product code 22345

The elegant interplay of form and material makes the GIANNI luminaire an impressive living element. Added to this is the elongated oval design of the modern luminaire, which makes it easy to integrate into existing furniture. Thanks to its IP44 classification, the luminaire is protected against splashing water on all sides, making it particularly suitable for use in the bathroom above the wash area or above the make-up mirror. It also emits a bright, pleasant light. The chrome design enhances your bathroom with modern colour accents. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
