

## Ceiling light-fan Trio Lighting Johanna black E27 IP20

Product code 22356

The CORA ceiling light impresses with its clear lines and timeless design. Its round, minimalist look puts the essentials centre stage: the light. Several integrated light rings ensure a modern appearance and can be switched separately - for individually customisable lighting moods as required. Whether in the living room, bedroom, hallway or work area: CORA blends harmoniously into any living space and deliberately favours a minimalist, elegant effect. The design is rounded off by the high-quality combination of black matt plastic and metal, which gives the fan a modern and timeless look. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
