

Bollard light Trio Lighting Mures anthracite E27 IP44

Product code 22361

The MURES outdoor bollard impresses with its simple, timeless design and a luminous sphere that emits pleasant light into the surroundings. It provides gentle illumination and creates a sense of security around the house - especially along paths, driveways or in entrance areas where orientation and good lighting are required. Thanks to its IP44 protection rating, MURES is reliably protected against splash water, making it ideal for outdoor use. Whether along garden paths, driveways or in entrance areas - this bollard combines functionality with discreet elegance. Made of die-cast aluminium in anthracite and combined with white glass, the luminaire impresses with its high-quality choice of materials and modern look. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
