

Facade luminaire Trio Lighting Mures anthracite E27 IP44

Product code 22363

The MURES outdoor wall light impresses with its simple, timeless design and a luminous globe that emits pleasant light into the surroundings. It provides soft illumination and creates a sense of security around the house - especially in the entrance area, where good light is not only practical but also inviting. Thanks to its IP44 protection rating, MURES is reliably protected against splashing water, making it ideal for outdoor use. Whether on the house wall, next to the front door or along the entrance - this light combines functionality with discreet elegance. Made of die-cast aluminium in anthracite and combined with white glass, the wall light impresses with its high-quality choice of materials and modern look. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
