

Bollard light Trio Lighting Ravi anthracite 13W 1500lm IP65 2300K, 3000K, 4000K 3CCT

Product code 22364

The PARANA outdoor wall light impresses with its cylindrical, minimalist, simple design and blends harmoniously into any façade design. It emits its light pleasantly upwards and downwards and creates a stylish play of light on the façade, providing discreet yet effective lighting. With protection class IP44, PARANA is reliably protected against splash water and is therefore ideal for outdoor use. Whether at the front door, along the house wall or around the house - the light ensures greater safety and an inviting atmosphere. Die-cast aluminium in anthracite combined with white plastic gives RAVI a modern, robust look with a timeless character. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
