

Facade luminaire Trio Lighting Fraser anthracite E27 IP54

Product code 22380

The FRASER wall light impresses with its unusual mushroom design and sets stylish accents in any outdoor area. Its modern appearance makes it a real eye-catcher, while the downward-directed light provides pleasant and harmonious lighting. Whether for effective illumination of the house façade or as inviting light in the entrance area - the FRASER combines functionality and aesthetics. With an IP54 protection rating, it offers protection against dust deposits and splashing water on all sides, making it ideal for outdoor use. The high-quality die-cast aluminium in anthracite, combined with an elegant wood reproduction, gives the luminaire a natural and modern look that adds character to any outdoor area. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
