

Mirror light Trio Lighting Rocco H2O chrome 8W 800lm IP44 830

Product code 22409

Thanks to its purist design and clear design language, the ROCCO light takes centre stage. The up and down lighting creates a very special lighting mood in your bathroom - especially when you want to relax and switch off in the bath in the evening. The light creates a cosy atmosphere and is protected against splashing water thanks to its IP44 protection rating. The rather discreet and tasteful exterior in chrome sets attractive accents on walls and integrates effortlessly with the rest of the furniture. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
