

Mirror light Trio Lighting Mattimo H2O chrome 6,5W 680lm IP44 830

Product code 22416

The simple MATTIMO wall light blends beautifully into the desired area of application. Thanks to its IP44 protection rating, the light is protected against splashing water and can be used in damp rooms such as the bathroom without any problems. The elongated design is ideal next to or above the mirror in the wash area and provides stylish accents. In addition, the luminaire emits a soft and harmonious light over a width of 60.5 cm, which is evenly distributed in the application area and provides sufficient light. The light can be switched on and off as usual using the wall switch or via an integrated switch on the light. The combination of chrome and white plastic blends harmoniously into the overall picture. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	warm white 3000K
Luminous flux	680lumens
Luminaire’s efficiency	105lm/W
Warranty	5 years
Brand	Trio Lighting
Output	6,5W
Maximum output	6.5W
CRI	80
Protection class	IP44
Lifespan	30000h
Width	604.0mm
Height	55.0mm
Weight	500 g
Package weight	700 g
Casing colour	chrome
Casing material	aluminium + plastic
No. of switches	20000times
Certificates	CE
