

Facade luminaire Trio Lighting Beja black 12,5W 1650lm IP44 4000K pure white

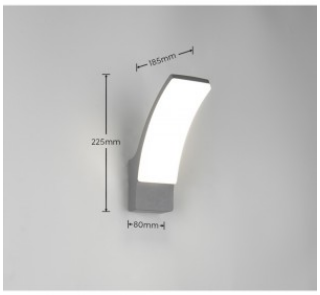

Product code 22428

Stylish light for greater safety! With its curved design, the BEJA outdoor wall light adds an elegant accent to any house wall. But it can do more than just look good: It emits targeted light in the direction of the house and path, creating a safe and inviting environment - whether at the entrance, on the patio or along the façade. Thanks to its IP44 rating, BEJA is weatherproof and can withstand rain, wind and snow - for reliable lighting all year round. The combination of robust die-cast aluminium in anthracite and white plastic ensures a modern look and long-lasting quality. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	pure white 4000K
Luminous flux	1650lumens
Luminaire’s efficiency	132lm/W
Warranty	5 years
Brand	Trio Lighting
Output	12,5W
Maximum output	12.5W
Protection class	IP44
Lifespan	30000h
Length	185.0mm
Width	80.0mm
Height	225.0mm
Weight	500 g
Package weight	600 g
