

Bollard light Trio Lighting Hoosic anthracite E27 IP44

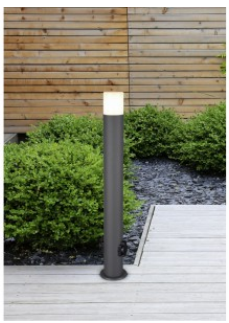

Product code 22437

Whether you install the light in the entrance area, in the garden or on the patio, the HOOSIC series is versatile thanks to its simple design. What's more, the outdoor light not only provides atmospheric lighting accents, it also has two practical socket connections. Thanks to its IP44 protection rating, it is protected against splashing water and is therefore suitable for outdoor use. The white/anthracite colour combination underlines the modern style and can be combined wonderfully. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
