

Bollard light Trio Lighting Hoosic anthracite E27 IP44

Product code 22438

Whether you install the light on your house façade, your balcony or on the wall of your patio, the HOOSIC series is versatile thanks to its simple design. With IP44 protection, it is protected against splashing water and is therefore suitable for outdoor use. The white/anthracite colour combination underlines the modern style and can be combined wonderfully. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
