

Facade luminaire Trio Lighting Hoosic anthracite E27 IP44

Product code 22444

Decorative and functional - the HOOSIC series wall light with integrated motion sensor and up&down lighting. In the dark, the wall light unfolds its full effect and shines the light evenly into the outdoor area, creating an effective and pleasant light intensity. Thanks to the weather-resistant die-cast aluminium in combination with the IP44 protection rating, the wall light with a size of 8.5 x 33 cm is ideal for mounting on your house façade in the entrance area, on the balcony or on your patio. The integrated motion detector has a detection angle of 120 and a range of up to 8 metres. The duration of the lighting can be individually set from five seconds to seven minutes. The anthracite-coloured design can be combined in a variety of ways and ensures a modern appearance. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
