

Frame THPG Duroplast white

Product code 22462

System covering made of 2.5 mm thick Duroplast. This covering can be combined with all switches, push-buttons and sockets from the Duroplast switch system and is intended as an external part of a multi-part installation. System coverings can be installed flush next to and below each other.

The junction boxes, dimmers and special devices (thermostats, USB charging stations) only fit into the coverings for junction boxes/dimmers. Round and square single coverings are also available.
