

Frame THPG Porcelain white

Product code 22484

System covering made of 13 mm thick, transparent glazed porcelain. This covering can be combined with all junction boxes and special devices (thermostats, USB charging points) from the switch system Porcelain white and is intended as the outer part of a multi-part installation. System coverings can be installed flush next to and below each other.

The switches, push-buttons, dimmers and sockets only fit into the regular coverings. Individual coverings are also available.

Brand	THPG
Diameter	82.0mm
Casing colour	white
