

Frame THPG Bakelite black

Product code 22488

System covering made of 2.5 mm thick Bakelite. This covering can be combined with all switches, push-buttons and sockets from the Bakelite switch system and is intended as the centre part of a multi-part installation. System coverings can be installed flush next to and below each other.

The junction boxes, dimmers and special devices (thermostats, USB charging stations) only fit into the coverings for junction boxes/dimmers. Round and square single coverings are also available.
