

Frame THPG Duroplast white

Product code 22501

Round single covering made of 2.5 mm thick Duroplast. This covering can be combined with all junction boxes, dimmers and special devices (thermostats, USB charging stations) of the switch system Duroplast. The switches, push-buttons and sockets only fit in the regular coverings. Round system coverings are also available, which can be installed flush next to and below each other.
- For mounting data sockets, telephone jacks, antenna sockets, temperature controls, USB charging stations, speaker connections, dimmers and blind covers for the switch system Duroplast (unsuitable for switches, push-buttons and sockets).
