

Switch THPG Porcelain Rocker switch white IP20

Product code 22504

Rocker switch with durable brass switching mechanism and solid screw contacts. The central insert is made of transparent glazed porcelain, the rocker is made of colour-matched Duroplast and the base body is made of steatite, a proven ceramic material.

Here in the version as a 2-way switch. A 2-way switch can either be used individually as an on/off switch or in conjunction with a second 2-way switch to switch a light. If you want to switch from more than two locations, a intermediate switch is required for each additional location.
- Central insert made of porcelain, rocker made of colour-matched Duroplast; base body made of steatite
- 10 A, 10 AX, AC 250V
- Rated power of the SBL circuit up to 10A = max. 100W
