

Switch THPG Duroplast Toggle switch white IP20

Product code 22523

Toggle switch for 2-way circuits for surface mounting. The housing and the toggle are made of Duroplast.

A 2-way switch can either be used individually as an on/off switch or in conjunction with a second 2-way switch to switch a light. If you want to switch from more than two locations, a intermediate switch is required for each additional location.
A base plate is essential when mounting to easily inflammable or uneven surfaces.

Brand	THPG
Rated current	10mA
Protection class	IP20
Length	53.0mm
Diameter	62.0mm
Casing colour	white
Casing material	duroplast
Work environment	indoor use
