Switch THPG Duroplast Toggle switch intermediate white IP20

Product code 22524

Toggle switch for 2-way circuits for surface mounting. The housing and the toggle are made of Duroplast.

An intermediate switch is necessary if a lamp is to be switched from more than two places. 2-way switches are used to switch a lamp from up to two places.

A base plate is essential when mounting to easily inflammable or uneven surfaces.
