

Dome light Trio Lighting Doha brass 3260lm IP20 Dip Switch 2300K, 3000K, 4000K 3CCT

Product code 22553

With the DOHA ceiling light, everything runs smoothly in the truest sense of the word! The minimalist design is timeless and adds a touch of elegance and modernity to your kitchen or bedroom. Using a DIP switch, the light colour can be adjusted from warm to cool white via a switch directly on the light. The interplay between direct and indirect light also makes the DOHA something special. The outer light ring, which can be switched separately from the main light source, creates pleasant indirect lighting and creates very special lighting moments in your home. With the simple colours of the matt brass metal and the white acrylic cover, the light fits into almost any furnishing style. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	3CCT 2300K, 3000K, 4000K
Luminous flux	3260lumens
Luminaire’s efficiency	112lm/W
Warranty	5 years
Brand	Trio Lighting
Dimmable	Dip Switch
Maximum output	29W
Protection class	IP20
Lifespan	30000h
Height	50.0mm
Diameter	450.0mm
Casing colour	brass
Casing material	metal
No. of switches	15000times
Work environment	indoor use
