

Dome light Trio Lighting Morgan black / golden 6000lm IP20 DIMMABLE 2700K-6500K warm + cold white

Product code 22558

There's nothing like lights that can be controlled by remote control. Because once you've made yourself cosy on the sofa with a blanket, you'll be happy when you don't have to get up again. The angular MORGAN ceiling light, which comes with a remote control, allows you to effortlessly adjust the brightness and light colour to suit your needs and optimise your oasis of well-being from the comfort of your sofa. The night light function can also be switched on and off at any time using the remote control. You too can benefit from the convenient advantages of MORGAN! The purist, square design of the luminaire in matt black and gold colour blends seamlessly into existing interiors. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
