Good Mood Light - the YUMA ceiling light provides cosy light and pure harmony in your living space! YUMA is characterised by its indirect light distribution and allows individual adjustment of soft, tasteful colours. This creates a cosy lighting atmosphere that has a grounding effect and positively influences our everyday lives. Using the remote control supplied, you can adjust not only the light colour but also the brightness to suit your needs without having to leave your favourite spot in the living room or bedroom. The night light and memory function round off the overall experience of the light. This creates a relaxed and cosy living atmosphere that gives you strength and peace! The titanium-coloured metal and geometric shape emphasise the understated yet effective lighting flair of the YUMA. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
