

Dome light Trio Lighting Cardona black 29W 3300lm IP20 switch dimmer 2300K, 3000K, 4000K 3CCT

Product code 22565

Clarity and functionality combined - the CARDONA ceiling light impresses with its striking design, which is characterised by a ring. This elegant ring seems to literally float below the ceiling and attracts everyone's attention. Ideal for modern living rooms, offices or dining rooms, the luminaire provides uniform, glare-free lighting thanks to the subtle light source inside the ring, creating a pleasant atmosphere. The brightness can be regulated in three levels using a conventional light switch and the light colour can be adjusted directly using a switch on the luminaire. The black matt surface gives every room a timeless elegance and a modern touch. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
