

Dome light Trio Lighting Blanca white 46W 5400lm IP20 switch dimmer 3000K warm white

Product code 22571

Less is often more! The BLANCA ceiling light impresses with its simple elegance and can be integrated into any ambience thanks to its neutral appearance. The angular ceiling light provides optimum illumination in stairwells, corridors or offices. An integrated SWITCH dimmer allows the brightness to be adjusted in three stages (100%, 50%, 25%) using a conventional light switch, enabling different lighting moods to be created. In the simple colour white, the light fits into almost any interior style. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
