

Pendant lamp Trio Lighting Napoli black / white 37W 3200lm CRI80 IP20 switch dimmer 2300K, 3000K, 4000K 3CCT

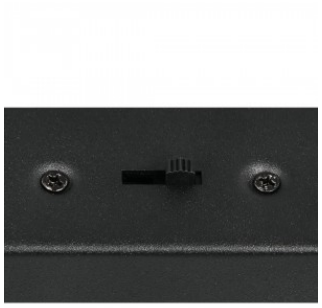

Product code 22573

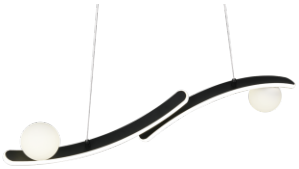

The NAPOLI pendant light impresses with its playful design and special lightness. The elongated metal element radiating from the side is accompanied by two illuminated glass globes, creating a delicate, elegant look that immediately catches the eye. In addition to its design, NAPOLI also impresses in functional terms: thanks to the switch dimmer, the brightness can be conveniently adjusted in several stages using the light switch. The light colour can also be individually adjusted directly via a switch on the luminaire, ensuring the right ambience at all times. Matt black metal in combination with white glass lends the light a timeless, modern elegance. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
