

Ceiling lamp Trio Lighting Aleta white / golden 24W 2500lm IP20 switch dimmer 2700K-6500K warm + cold white

Product code 22595

The ALETA ceiling light impresses with its minimalist and harmonious design that focuses on the essentials: the light. You can easily adjust the light colour and brightness to your liking using the remote control supplied. Alternatively, the brightness can also be adjusted in various levels using the conventional light switch. ALETA also has a practical night light and memory function that saves your last selected settings. The gold-coloured finish on the inside of the otherwise minimalist, white ceiling light creates a glittering shimmer and spreads a pleasantly soft light in the room. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	warm - cold white 2700K - 6500K
Luminous flux	2500lumens
Luminaire’s efficiency	104lm/W
Warranty	5 years
Brand	Trio Lighting
Dimmable	switch dimmer
Output	24W
Maximum output	24W
Protection class	IP20
Lifespan	25000h
Height	80.0mm
Diameter	450.0mm
Casing colour	white / golden
Casing material	plastic
No. of switches	15000times
Work environment	indoor use
