A real multifunctional talent! The MUSICA ceiling light spreads good mood with an integrated Bluetooth speaker, and provides the right light for an atmospheric environment. The light colour and brightness can be individually controlled using a remote control. In addition, it inspires with the integrated RGBW Rainbow effect, which reflects the rainbow. Thanks to the simple form in white, the lamp finds a place everywhere. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
