

Rechargeable table lamp Trio Lighting Patty white 4W 380lm IP20 840

Product code 22609

The PATTY table lamp is full of functional surprises! Thanks to the battery operation, which is simply charged via a USB-C connection, the lamp can be set in scene at a place of your choice without any cables. In addition to an alarm function, the table lamp is equipped with an integrated digital display that informs you of the current date and temperature as well as the time. Furthermore, the practical 4-step touch dimmer regulates the light intensity to suit your needs. In a white design, the PATTY perfectly rounds off the purist and modern look and blends in perfectly with your furnishing style. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
