

Table lamp Trio Lighting Vento white 5W 650lm IP20 switch dimmer 830

Product code 22611

Keep a cool head when writing, modelling or doing your taxes! The ultra-flexible VENTO LED table lamp with fan provides the best light and a gentle breeze on request. The elegant base contains a 3-speed fan that uses innovative technology to provide you with cool air without any rotor blades! The lamp impresses with 5W bright LEDs and 500 lumen luminosity: choose between warm white, neutral white or daylight white lighting, the brightness levels of which can be dimmed with just one touch. Make it bright and refresh yourself at the same time! The light also has a USB connection and a flexible light neck. The plain white body is a real all-rounder that can be combined anywhere. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
