

Table lamp Trio Lighting Lupo white 5W 550lm IP20 3500K warm white

Product code 22630

Reading, crafting or repairing small parts - the LUPO table lamp provides the necessary magnification and lighting. Clamp the light to your desk top and adjust it as required thanks to the flexible arm. It impresses with 3x magnification. What's more, you can easily adjust the light intensity to suit your needs using the 4-way touch dimmer. The light has a height of 35 cm and a diameter of 13.5 cm. The white colour matches the simple design of the light, as the focus is on functionality. Simply integrate it into your existing interior. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
