

Frame THPG Bakelite black

Product code 22634

Square single covering made of 2.5 mm thick Bakelite. This covering can be combined with all junction boxes, dimmers and special devices (thermostats, USB charging stations) of the switch system Bakelite.

The switches, push-buttons and sockets only fit in the regular coverings. In addition to round single coverings, round system coverings are also available, which can be installed flush next to and below each other.
Square Bakelite single cover for junction boxes/dimmers.

- For mounting data sockets, telephone jacks, antenna sockets, temperature controls, USB charging stations, speaker connections, dimmers and blind covers for the switch system Bakelite (unsuitable for switches, push-buttons and sockets).
