

Switch THPG Cable clamps for surface-mounted textile cable black IP20

Product code 22646

We offer high-quality textile cables in different colours and in any length for all standard household applications. They all come from VOKA (Vogtländisches Kabelwerk), probably the last German manufacturer of textile cables, and are recommended by us for connecting our lights, surface-mounted switches and multiple sockets. You will also find high-quality earthing contact plugs, connectors and junction boxes made of Duroplast or Bakelite as well as suitable cable clamps for guiding our surface-mounted cables on the wall.
