

Frame THPG Single covering for junction boxes/dimmer squareDuroplast white

Product code 22665

Square single covering made of 2.5 mm thick Duroplast. This covering can be combined with all junction boxes, dimmers and special devices (thermostats, USB charging stations) of the switch system Duroplast.

The switches, push-buttons and sockets only fit in the regular coverings. In addition to round single coverings, round system coverings are also available, which can be installed flush next to and below each other.
