

Wall light Trio Lighting Conchita black 2W 200lm CRI80 IP20 2700K-6500K

Product code 22670

The CONCHITA wall light combines innovative design with maximum functionality. Its clear, elegant shape creates a discreet, modern ambience and can be used in a variety of ways. Whether as an atmospheric light source in the bedroom or as a flexible highlight in the living room - CONCHITA adapts effortlessly to your needs. The up-and-down lighting creates a pleasant, indirect light upwards and downwards, creating a cosy atmosphere. Brightness and light colours can be conveniently controlled using the practical remote control or the 4-way touch on the luminaire itself. The integrated dimmer offers infinitely variable adjustment options - for exactly the light you want. CONCHITA is particularly flexible thanks to its rechargeable battery operation with USB-C connection for charging. Thanks to the magnetic attachment, the luminaire can be easily removed and reattached elsewhere - without any time-consuming assembly. So you always have the perfect light source to hand. The CONCHITA wall light impresses with its robust metal and aluminium housing in elegant matt black. This combination not only ensures a high-quality look, but also a pleasant feel. The discreet colour design can be effortlessly integrated into a wide variety of living styles and sets unobtrusive accents in your room. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
