Product code 22675

The SERVO table lamp embodies minimalist design and its striking shape is reminiscent of a small, attentive assistant - functional, precise and always ready for use. Thanks to its compact design and clever clamping function, it can be flexibly attached to table tops, shelves or work surfaces - perfect for desks, creative studios or reading corners - SERVO adapts: With ON/OFF touch, integrated dimmer, adjustable light colour and memory function, it responds intuitively to your needs and remembers your preferred settings. The luminaire is made of high-quality metal and comes in an elegant matt black colour. The surface emphasises the modern, technical look - understated in style but powerful in effect. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
