

Facade luminaire Trio Lighting Pearl anthracite 8W 900lm IP54 3000K warm white

Product code 22720

Functionality meets modern, innovative design! This outdoor wall light from the PEARL series impresses with its attractive design and offers you the opportunity to set the scene for your outdoor areas with warm lighting accents. The wall light impresses with its direct, downward illumination on your house wall. Thanks to the IP rating of 54, this modern light is particularly weather-resistant. The wall light has a width of 10 cm and a height of 16 cm. The wall light impresses with a housing made of anthracite-coloured die-cast aluminium and a slanted light shade made of white plastic. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
