

# Bollard light Trio Lighting Pearl anthracite 230V 8W 900lm IP54 3000K warm white

Product code 22721

Functionality meets modern, innovative design! This outdoor light from the PEARL series impresses with its attractive design and offers you the opportunity to set the scene for your outdoor areas with warm lighting accents. The post provides direct, downward illumination on your footpath or garden path. Thanks to the IP rating of 54, this modern light is particularly weather-resistant. The path light has a height of 100 cm and a width of 14 cm. The pathway light impresses with a housing made of anthracite-coloured die-cast aluminium and a slanted light shade made of white plastic. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
