Chandelier Maytoni Puntos 6 gold E14 IP20

Product code 22723

Massive crystals serve as the centerpiece of the Puntos collection's design. The series includes pendant chandeliers of various diameters, as well as wall, table, and floor lamps. Each model is available in two timeless finishes: gold and chrome. The height of the chandeliers can be adjusted via the chain length. The cohesive color scheme and repeating decorative elements allow for easy combination of different models, enabling creative lighting arrangements and accent lighting across various zones within the interior.
