

Track light Karizma Luce Linea-Q1/Q2 L Opal BT white 48V 28W 1700lm 90° IP20 DALI 930

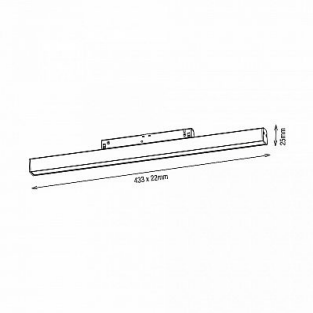

Product code 22747

Karizma Luce Linea-Q1/Q2 L Opal is a compact linear luminaire designed for 48V track systems, providing smooth, continuous general lighting in architectural spaces. It integrates seamlessly into the Q1 Mini track (surface-mounted or suspended) and the Q2 High system (surface-mounted, suspended, or trimless recessed) from Karizma Luce.

Unlike the Lente version with directional beams, the Opal version features a satin diffuser that creates a soft, even line of light. The 90° wide beam angle distributes brightness comfortably across surfaces, making it ideal for corridors, residential ceilings, retail displays, and workplaces that benefit from gentle ambient lighting.

Correlated colour temperature	warm white 3000K
Luminous flux	1700lumens
Brand	Karizma Luce
Supply voltage	48V
Dimmable	DALI
Output	28W
Lens angle	90°
CRI	90
Protection class	IP20
Lifespan	50000h
Length	22.0mm
Width	433.0mm
Height	25.0mm
Casing colour	white
Casing material	aluminium
Work environment	indoor use
