KARIZMA luce

Track light Karizma Luce Fresco white 230V 10W 1200lm 25° IP20 TRIAC 930

Product code 22749

Fresco is a compact track spotlight with an integrated driver for residential and hospitality interiors. It suits hotel rooms, restaurants, boutiques, and living spaces. A front ring is standard. The deep-set light source reduces glare and provides a comfortable level of light. The 60mm head and 139mm length keep the form discreet. A tiny adapter ensures a clean, minimal installation.
