

Facade luminaire Trio Lighting Sambesi natural wood E27 IP44

Product code 22784

Exceptional and functional light design! With its traditional yet modern appearance, the SAMBESI wall light will be an eye-catcher on your exterior façade. When the luminaire is switched on, the light is pleasantly emitted into the outdoor area and creates a decorative lighting ambience. The light has a twilight sensor that switches on automatically as darkness falls. Thanks to the weather-resistant die-cast aluminium and IP44 protection rating, the wall light is ideal for illuminating your outdoor area. The combination of die-cast aluminium in wood reproduction and anthracite-coloured elements gives the luminaire a modern and elegant look. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.

Warranty	2 years
Brand	Trio Lighting
Socket	E27
Protection class	IP44
Width	125.0mm
Height	330.0mm
Weight	1.1 kg
Casing colour	natural wood
