

Pendant lamp Nova Luce Motif black 60W 4165lm IP20 TRIAC 2700K - 6000K warm - cold white

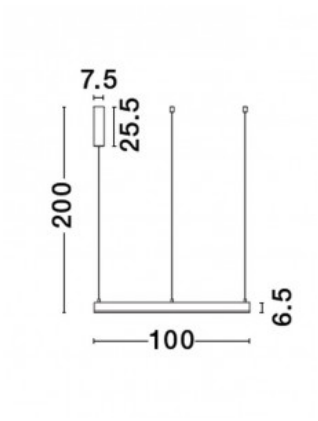

Product code 22795

The Motif suspension light combines a sleek sandy black aluminium and acrylic frame with advanced LED technology. Designed for indoor ceiling mounting, it offers tunable white light adjustable from warm to cool white via remote control. This dimmable fixture delivers a luminous flux of 4165 lumens with a high color rendering index above 80, ensuring vibrant and natural illumination. Its modern, minimalistic design complements various interior styles, providing both functional and decorative lighting. The light source is integrated and not replaceable, optimized for energy efficiency and longevity. Ideal for residential and commercial spaces seeking elegant ambient lighting.
